KAMRAN ALI

JUNIOR DIGITAL MARKETER — DIRECT-RESPONSE & PAID SOCIAL

Karachi, Pakistan | +92 328 6725816 | kamranalisomoroo@gmail.com | Portfolio Project

PROFESSIONAL PROFILE

Trained junior digital marketer skilled in direct-response ad copywriting, competitor creative research, and vertical video storyboarding. Practiced creating high-converting multi-angle ads and marketing strategies through structured projects using marketing frameworks and AI-assisted workflows. Eager and prepared to support business owners, agency teams, and campaign managers with ad copy, competitor audits, and creative testing.

EDUCATION & TRAINING

Digital Marketing Course — **86% Score | Certified Credential**

Comprehensive hands-on training program

- Covered Meta & TikTok Ads structure, direct-response copywriting principles, audience targeting, and competitor benchmarking.
- Hands-on campaign frameworks, ad angle split-testing, email marketing architectures, and AI tool workflows.

Intermediate (HSC Part II) — Pre-Medical — Karachi, Pakistan

Board of Intermediate Education Karachi (BIEK)

CORE MARKETING SKILLS

- **Direct-Response Ad Copy:** Scroll-stopping hooks, benefit-driven angles, and high-converting ad copy.
- **Competitor Ad Auditing:** Meta Ad Library research, creative pattern analysis, and messaging gap identification.
- **Paid Social Frameworks:** Creative testing matrices (CTR, Hook Rate, CPA), audience segmentation.
- **Short-Form Video Strategy:** 3-second visual hooks, UGC storyboards, and 9:16 vertical video ad scripts.
- **Landing Page Copy:** Headline, offer section, benefit bullets, and call-to-action writing for conversion.
- **Tracking & Setup:** Meta Pixel integration, event tracking, and Google Tag Manager basics.

HANDS-ON PRACTICE PROJECTS (URBAN THREAD - D2C FASHION)

Project 1: Competitor Analysis & Ad Strategy Report — **Competitor Intelligence & Ad Auditing**

- Researched 3 local streetwear competitors, identifying creative fatigue and sizing objection gaps.
- Developed 6 hook-driven direct-response angles focusing on fabric weight, durability, and relaxed drop-shoulder cut.
- Constructed a 5-variable creative testing matrix isolating Hook Rate, CTR, and CPA.

Project 2: Direct-Response Ad Copy Samples — **Meta Paid Feeds (Facebook & Instagram)**

- Wrote multi-angle headline and body copy variations with sensory tactile details and explicit pricing.
- Designed high-contrast ad creatives in Canva and Pomelli with mobile-first readability.

Project 3: TikTok Video Ad Creatives & Storyboards — **Short-Form Video Strategy & CapCut Production**

- Scripted high-impact 15-second vertical video ads featuring 3-second macro fabric pattern interrupts.
- Produced 9:16 mobile video concepts optimized for TikTok with on-screen text overlays and COD call-to-action.

TOOLS & SOFTWARE

Creative & Video: Canva, CapCut Desktop, Flow / Veo 3, Pomelli
AI & Research: Google AI Studio, NotebookLM, Meta Ad Library
Tracking & Web: Meta Pixel, Google Tag Manager
